DISTRICT COURT, JEFFERSON COUNTY, STATE OF COLORADO
Court Address: 100 Jefferson County Parkway, Golden, CO 80401

Case No. 01CV1311
Division 4, Courtroom 4-E
County Court Case No. 97M811, Division A

THE PEOPLE OF THE STATE OF COLORADO

Plaintiff-Appellee,

v.

STEVE GARTIN,

Defendant-Appellant.

ORDER OF THE COURT

This matter is before the Court on this Court's order for Defendant to show cause why Defendant's appeal should not be dismissed for failure to file a timely notice of appeal and timely docket the matter with this Court, and for lack of jurisdiction by this Court. The Court has reviewed the motions and the remainder of the pleadings and the document the Defendant has captioned "Cause". The Court finds it is adequately advised in the matter and determines that Defendant has failed to show cause to the Court in a timely fashion, or otherwise, why this appeal should not be dismissed.

Accordingly, Defendant-Appellant's appeal from the County Court is DISMISSED and this matter is ORDERED returned to the County Court for enforcement of its judgment of conviction and sentence.

BY THE COURT this 24 day of June, 2002
