

Good day Doc,

Exhibit #23

Just to clarify my thoughts, feelings, desires and demands, I thought it might be helpful to outline the issues at bar.

First, ALL the restraining orders must be voided.

Second, all EXparte orders from the divorce case 95DR2718 must be voided.

Third, any and all quasi-legal restraints upon my access to my children must be voided.

Fourth, all JeffCo cases must be sealed.

Fifth, NCIC and CBI warnings must be purged.

Simple as that. Nothing complex. I would appreciate your assistance, but it's purely optional.

In good faith,
Steve Douglas, Gartin
