Mr. Pugliese:

I spoke today to Doc Miller by phone, this morning, about his talks with Katherine Grier in which she threatens me with jail and talks about a conspiracy in the court house against me as a 'Patriot'. Doc says that they will use 'trumped-up charges like they did with Gartin' when asked what I was doing for which I could be jailed. He maintains that he is the only thing standing between me and jail.

Katherine Grier is worried because she knows that she has initiated at least two ex-parte hearings, maybe three, with at least two judges (Juarez/Chapman)- in the restraining order case, and in the 'divorce' case.

Those are serious ethical violations as well as trying to use threats of jail in order to coerce me on the civil divorce case.

You'll remember that they used the same threats and actually put me in jail in JeffCo on trumped up charges- and I didn't even file anything in that instance. I don't know how to get this resolved, but I assure you it is very agitating.

Chas
