10 As to the request to forgive, the Court finds
11 that it is more appropriate if I understand the request
12 under a 35(c). There's been an oral motion made to
13 convert this to a 35(c). The Court directs counsel to
14 file the written motion for a hearing under Rule 35(c)
15 concerning those matters alleged.

16 As to forgiveness, this Court forgives
17 everyone in fact and I specifically forgive Mr. Gartin.
18 The fact that I forgive Mr. Gartin doesn't mean that he
19 is -- any records are expunged or he has any immunity
20 or any other freedom other than any other citizen under
21 the laws of the United States and the laws of the state
22 of Colorado.

23 That'll be the Court's order. Anything
24 further at this time on behalf of the people or on
25 behalf of Mr. Gartin?

MR. MILLER: How long would you like -- when
would you like me to file that 35(c) by, Your Honor?

THE COURT: Whenever you care to.

MR. MILLER: All right.

THE COURT: That should be filed in the case.
I assume that'll go back to Judge Anderson I assume.
